

The Almás

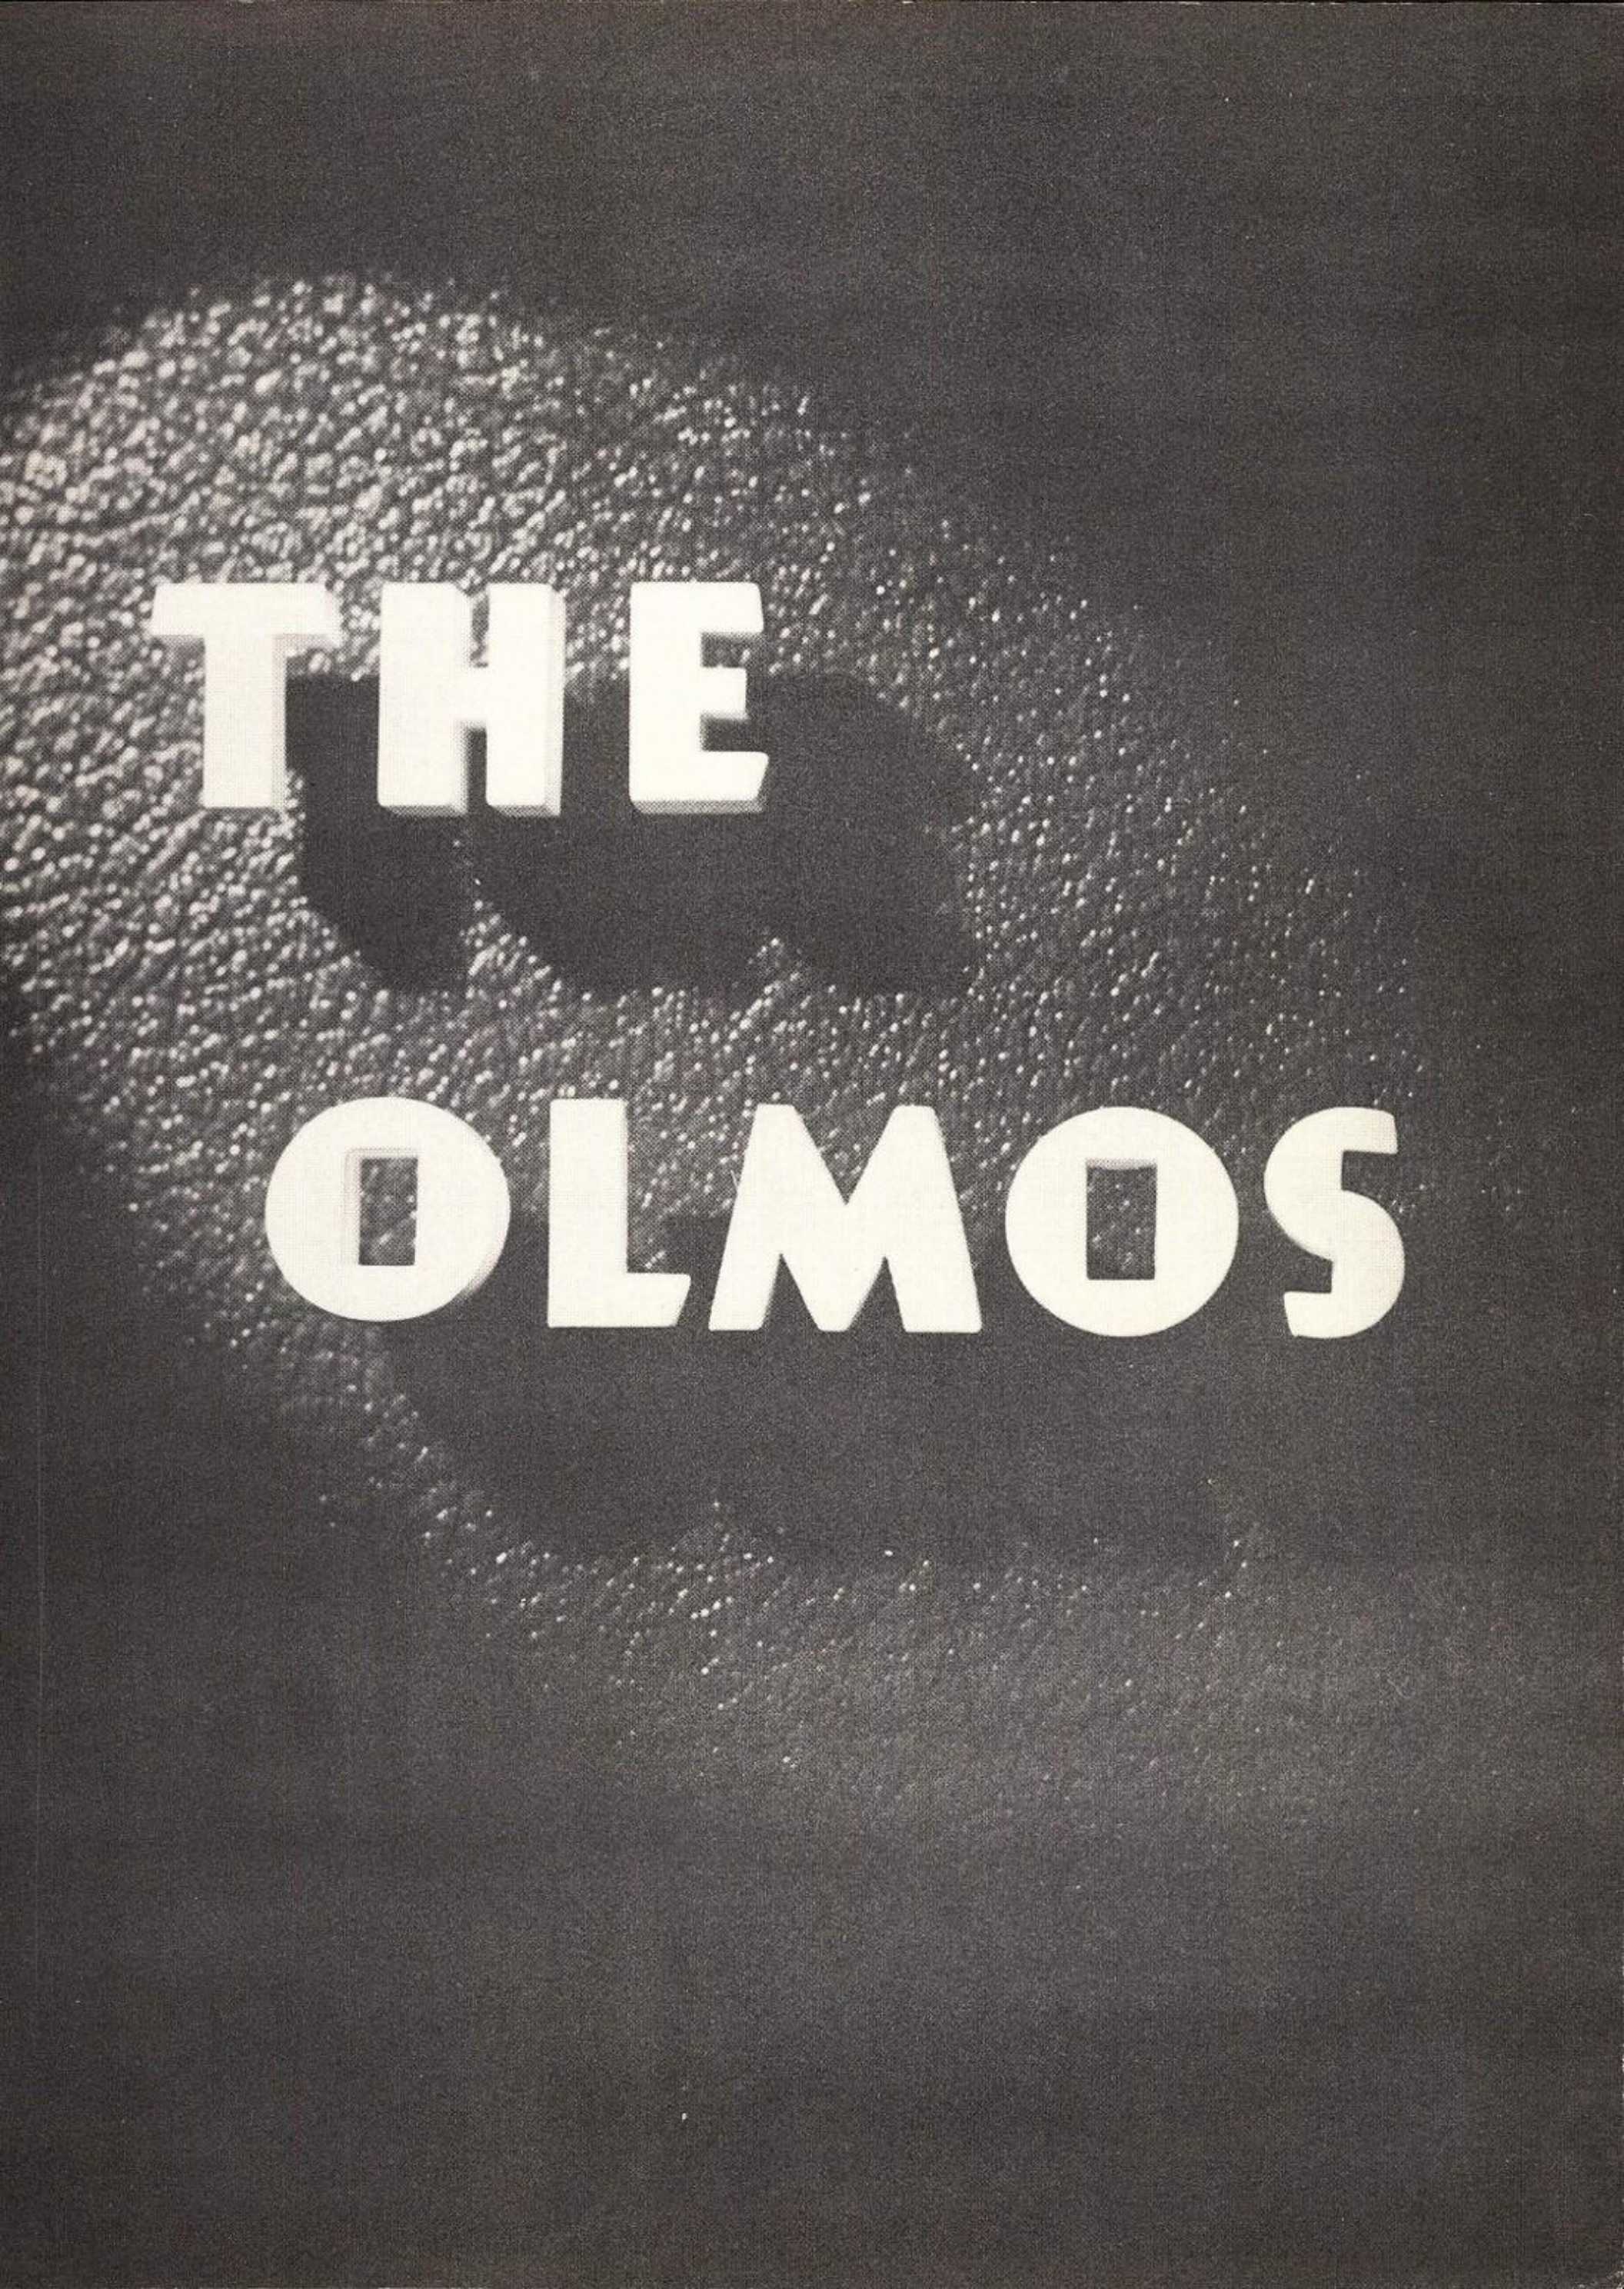

for

1950

HERE'S TO OUR BLUE AND GOLD,
LONG MAY IT WAVE,
OVER OUR DEAR OLD SCHOOL,
COLORS NEVER FADE,
BLUE AND GOLD FOR LOYALTY,
AND FOR FAITHFULNESS,
HERE'S TO OUR COLORS TRUE,
A.H.H.S.

THE

OLMOS

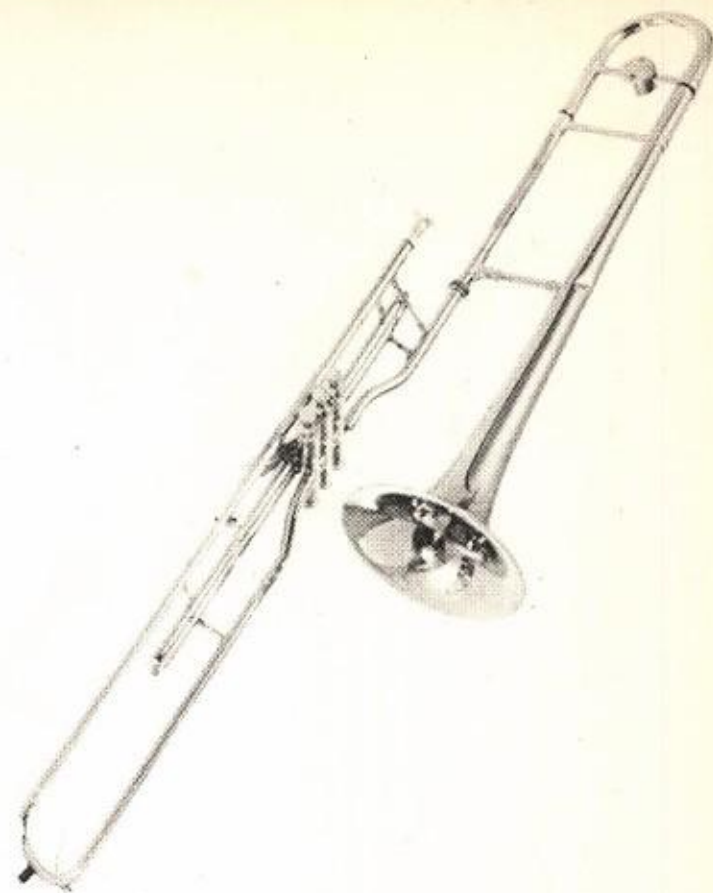

FOREWORD

Music is a language that knows no boundaries. It is a part of every life. To the Greeks it was a form of education. To us it means much more. In our school song, "Blue and Gold," it typifies the spirit of Alamo Heights. We hope that in years to come it will bring back memories of pleasant times and old acquaintances such as are recorded within these pages. The staff, therefore, feels that it is fitting to have chosen our school song, "Blue and Gold," as the theme of the 1950 Olmos.

Just as familiar songs are remembered through the years as "old standbys," so the graduating class of Alamo Heights High School will be remembered by all as the standbys of the student body throughout each year of their high school career.

The class of 1950 has been an enthusiastic and diligent group, which has commanded the respect and admiration of our community and our city. Their reputation as dependable and reliable workers will entitle the members to their rightful places as citizens of our America.

In close harmony with the spirit and ideals of Alamo Heights, the Junior Class has proved by its support of all school functions and enterprising action that it is fully capable of assuming the task of leadership in the coming year. Pride in their class has manifested itself in the selection of Junior officers — each of whom personifies the integrity of the class. Success will surely be the dominant chord in these young people's lives.

The National Honor Society was formed at Alamo Heights in 1929, "to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of American secondary schools."

Candidates are selected on the basis of Character, Scholarship, Leadership, and Service. As only five per cent of the Junior class and ten per cent of the Senior class may be elected by the faculty and members of this society, membership is a singular honor, the highest which high school offers.

The purpose of Quill and Scroll, the International Honorary Society for High School Journalists, is to encourage and reward individual achievement in Journalism. To become a member a student must pass four tests: he must be in the upper third of his class; he must have done distinctive work in some phase of high school journalism; he must be approved by the executive secretary; he must be recommended by the sponsor of the annual or school paper. In their work the members strive to live up to their motto, "Ye shall know the truth and the truth shall make ye free."

Activities

This year the Student Council at Alamo Heights has again succeeded in performing efficiently its two major functions, the promotion of more active student participation and the administering of school improvements.

The council was founded for the purpose of giving the student body a voice in its own affairs and helping prepare more students for our democratic way of life. The organization is composed of two representatives from each advisory, whose duty is to receive from the members of their advisory suggestions concerning all problems related to the school, and to present these problems to the council. The burden of the group is borne by the committees which are designed to deal with those needs of the school that come under their jurisdiction.

Activities

The Service Club aids various organizations in the school and in the community. Members are selected by the vote of the faculty and of the club council. Such projects as buying a Braille book, candy, and fruit for the Lighthouse for the Blind, furnishing Easter baskets for orphans, and observing Color Day are characteristic of the work of the club.

The Stage Hands is one of the most active clubs in school. Programs are generally original because of the planned skits and stunts that are carried out by the members. Participation in all types of dramatic art is greatly supported by this organization. Under the sponsorship of the Stage Hands, the Junior plays are presented each spring. The make-up committee supplies all make-up for productions presented during the school year. Participants in the State Forensic meets are usually Stage Hand members. In other words "Stage Hands" is synonymous with artistry and culture.

Y-Teen

The Y-Teens of Alamo Heights provide a group program of fun, wholesome recreation and wider acquaintances.

The Y-Teens' symbol combines the world-wide blue triangle with the globe symbolizing the fact that the Y-Teens are a part of a world-wide organization operating in sixty-nine countries.

Activities

Some of the activities of these three clubs, Senior, Junior, and Sophomore, are nickels for chocolates, drives for world fellowship, selling Christmas cards, and many socials.

The Senior, Junior, and Sophomore sponsors, presidents, and members working together, strive for the highest endeavor — that of world fellowship.

Activities

The unique plan of organization of the Latin Club, similar to the plan of Roman government, offers opportunities to serve and work.

The main offices are these: two consuls, who alternate as presiding officer; a scribe, who keeps the record of the meetings and attends to the correspondence of the club; a quaestor, who looks after all financial matters and collects the club dues. These officers, selected by popular vote, are assisted by various other assistants appointed by the elected officers with the sponsor acting as advisor.

The programs consist of interesting studies from Roman history and literature, in addition to plays, music, skits, and contests in both Latin and English.

"The Spurs" is the new name for the Alamo Heights Pep Squad. These girls try out on the basis of having a "C" average and are selected by three judges on their marching ability. The Spurs cheer for every football and basketball game and march in several parades. Their annual luncheon at the end of April climaxes their season. At this time the newly elected officers for the following year are presented by Miss Sims, the sponsor of the Spurs.

In 1942 Mr. E. O. Arsers was secured as part-time band director. Since he assumed the directorship of the band in the fall of 1943, it has won first division in state contests in concert, sight-reading, and marching for the past six years. The band has grown in the past few years from a membership of 28 in 1942 to a fully instrumented concert band of 75 members. The department now includes a beginner's band of 41 members, a Junior High Band of 28 members, and the concert band. The trip to Oklahoma City in February, where the band appeared at the invitation of the Oklahoma Music Educator's Association, culminated many years of effort and cooperation on the part of the Board of Trustees, the School Administration, and the Faculty.

THE 1949 FOOTBALL SEASON IN REVIEW

In the opening game of the season the Heights eleven went down fighting against the powerful Unicorns of New Braunfels, 33-6.

Heights played Laredo to a 13-13 tie in its second game with the Crowley to Steinman pass combination clicking for the touchdowns.

The opening Conference game of the season found Alamo Heights swamping Lanier 27-13, behind the brilliant running of Crowley and Zachry.

With Bobby Briggs running a kickoff 80 yards for a touchdown early in the fourth period Alamo Heights managed a 16-13 victory over Burbank.

Teddy Ritchey pushed over two touchdowns and Rusty Crowley rolled up 134 yards rushing to defeat Edison 20-0.

For the first time in five years the Tech Buffaloes stampeded the stubborn Mules, who went down before them 48-18.

Avenging their last year's defeat by Alamo Heights, the Brackenridge Eagles flew into the Mules and defeated them 45-0.

Being badly hampered by injuries, the once feared Mules fell before the Saint Anthony Yellow Jackets 13-6.

Fighting valiantly, the Heights eleven fell before mighty Jefferson, the future state champs, 51-0.

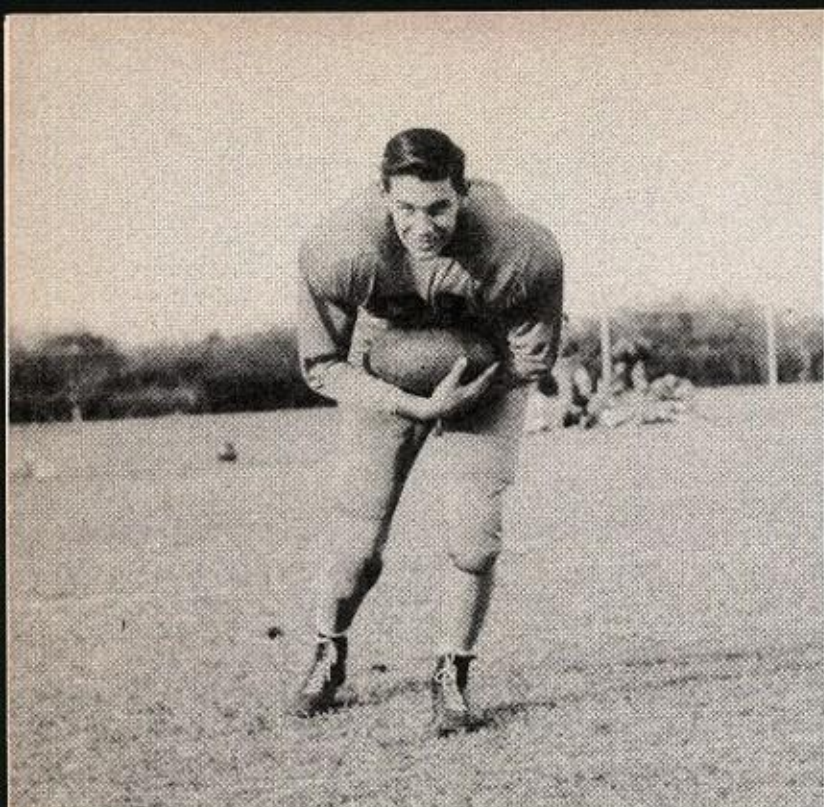

Injuries limiting the Heights squad to 21 boys, the Mules were defeated by the Harlandale Indians 26-12.

"A" BASKETBALL

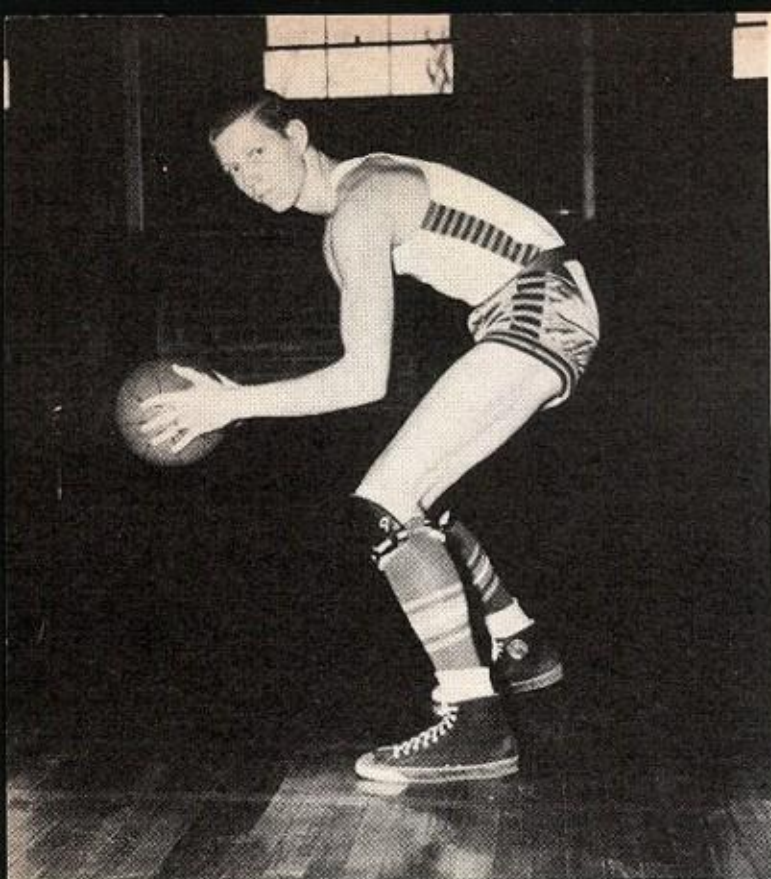

Coach Guillory

The 1949-50 Alamo Heights basketball squad proved the most fruitful team in the past few years. The Mules gallantly won 21 out of 29 games this season. Placing fourth in the city conference, the Heights cagers took over in 9 out of 14 district ball games.

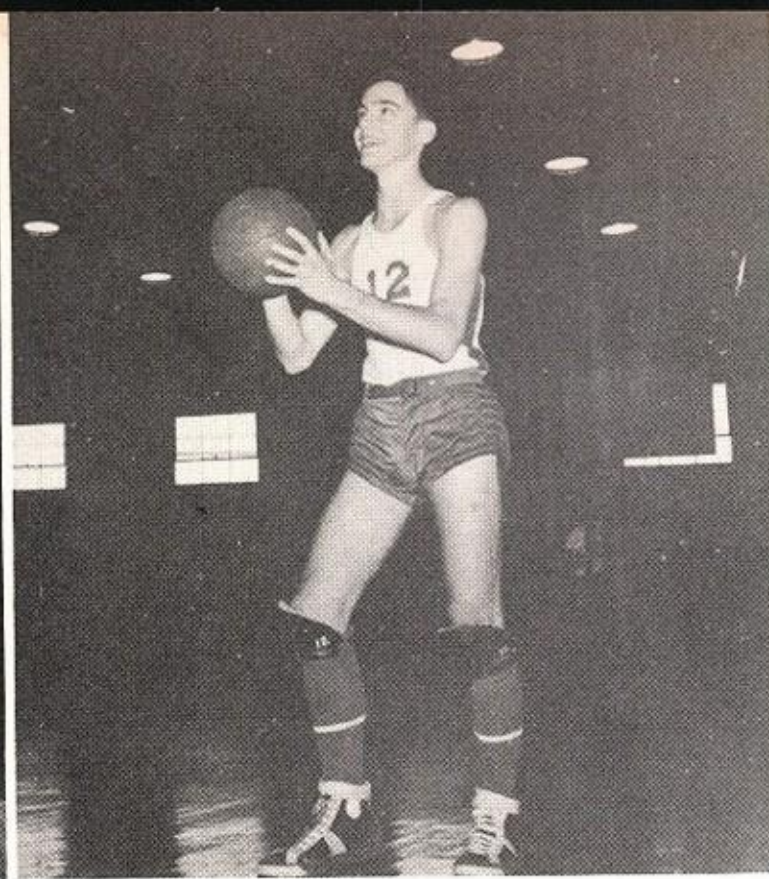

The Mules' win over Tech in the first district ball game in which Tech led by 12 points at the half, the gallant loss to Jefferson by one point in two overtime periods, and the win by one point over Burbank in one overtime are the highlights of the season.

FIRST ROW: Mills; Rubsamen; DeWees; Steinman; Briggs.
SECOND ROW: Guillory, Pirrung; Fischer; Hart; Douglas; Shamblin.

ALAMO LEAGUE CHAMPS

Proclaimed district champs, the Burros ended one of the best seasons in their history. They lost their first game to Tech 37-42, but came back with a vengeance to take the next 13 games, finishing with a 13-1 season record. Jeff. gave the heightsters the roughest tussle in a 38-37 thriller. No other team came within 10 points of stopping the Burros. Tom O'Brien and Bradley Pigeon set the pace with a season total of 169 and 152 points respectively. These boys are great prospects for the future varsity teams.

EVENTS

Events

With the welcoming assembly the new school year begins. Activities start with the leaving of our representatives for the S.A.S.C. Convention in West Virginia.

Through assemblies and television shows the musical and theatrical talent of our school is presented.

Events

Traditions make up a large part of our activities, as ex-grads are welcomed back and the Football Sweetheart is elected.

The Harlandale bonfire added to the year's entertainment, as well as the Christmas assembly featuring the Girls' Ensemble.

Events

Each year, following the football season, the team eagerly looks forward to the annual banquet which celebrates the conclusion of a job well done. Many honors go hand-in-hand with participation in this activity, and one of the most exciting events for members of the band, Spurs, and football team is the presentation of their long-awaited letter jackets.

Each year we are happy to welcome back Bud Whaley, and give to the good cause he represents, the annual "March of Dimes."

Events

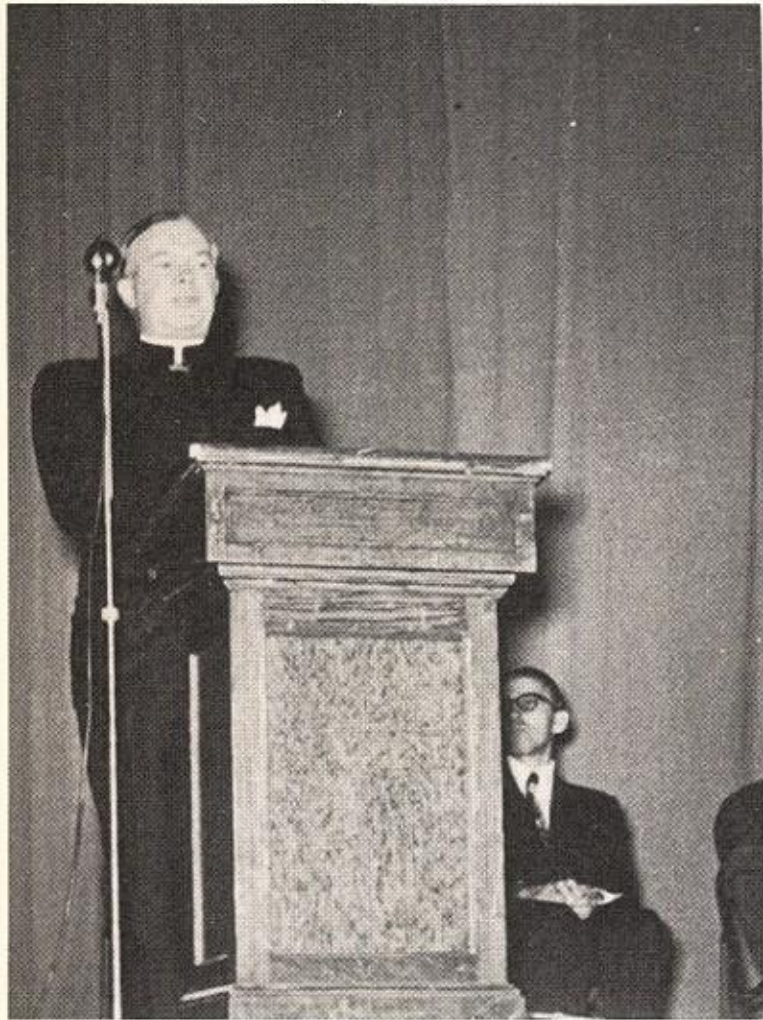

Assemblies make up a large part of our school events. The Western music of the Texas Hillbillies was one of the most popular programs of the year. The annual singing valentines, sponsored by the Service Club, added to the enjoyment of Valentine's Day.

A few days later, a "Career Day" assembly, sponsored by the Student Council and presented by Miss Bunyan, was of much help to the students wishing to select a vocation.

Events

The meaning of Brotherhood Week was presented to us by men of the Jewish, Catholic, and Protestant faiths.

Each year at this time the favorites chosen by the student body are honored by a dance at the Mule Stall.

The annual National Honor Society assembly was held on March 9. Participating in it were the old and new members, selected for their leadership, scholarship, service, and character.

Mule Stall

Well-known to us all is the traditional "Mule Stall". The opportunity to associate with others, play games, dance, and eat makes this a popular spot with the Heights teenagers. The fun we've had here and friends we've made will always remain in our memory.
